

Getting The Mount Paran Podcasts

Mount Paran Church in Atlanta, Ga has a number of Podcasts available thru itunes. To subscribe to these Podcasts follow these steps.

1) Install iTunes on your computer. iTunes is a free application that is available for download from: <http://www.apple.com/itunes/>

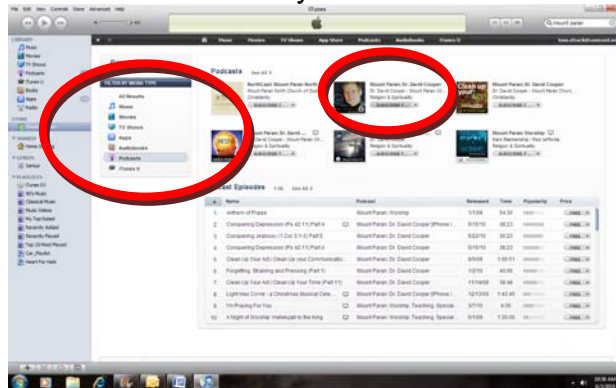

2) Once iTunes is installed, open up itunes and click on the "iTunes Store" icon in the left hand column.

3) In the "search" area of itunes (upper right corner of itunes) type in "Mount Paran"

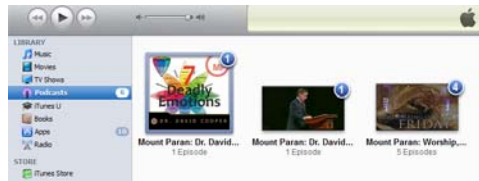

4) Click on the "Filter By Media" item called "Podcast"

5) Then click on the "Subscribe" button beneath the Podcast you are interested in.

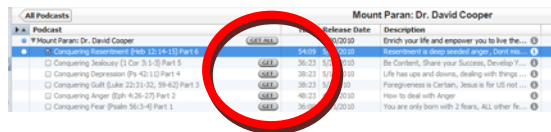

- 6) Click on the Podcast menu item in the left hand column to open the list of Podcasts that you have subscribed to.

- 7) Double click on the Podcast you wish to listen to or get more episodes. Click on the refresh button in the lower right corner of the screen to update the episode list.

Then click “GET” button beside the episode you wish to download and listen to. By default iTunes will only download the recent Podcast Episode when you refresh the item you are subscribed to.

The Podcast episodes that you have already downloaded will not have the “GET” button beside the item. You can click on the “GET ALL” button to download all available episodes.

- 8) To listen to an episode, simply double click on it in the list of episodes. If it is not one you have downloaded already, iTunes will download it and then you can click on it to start playing it.

We generally post the Audio version of Dr. Cooper’s messages on Monday and the Video version of the message on Tuesdays.

You can now join us LIVE every Sunday morning online at 9am and 11:15am for our Sunday Services. Click on the “Live Church” image on the “watch/listen” page of the website.
