## Each week...

- STEP #1 - **READ**                      Read the assigned chapter(s) each day.
- STEP #2 – **JOURNAL**                  Journal your insights according to “Helps” below
- STEP #3 - **PRAY**                      Pray for God to illuminate the Scriptures.  
Pray for God to speak to you.

## Journal Helps:

- 1) Observation – Detail your observations of the Scripture.
  - a. What did the verse say?
  - b. What are the details?
  - c. What sticks out to you?
  
- 2) Interpretation – Journal what this scripture means to you. Allow the Holy Spirit to guide your insights. This is a Spirit led process.
  - a. What does this verse mean to you?
  - b. Ask God, “What are you saying to me through this verse?”
  
- 3) Application Prayer – Journal a short prayer regarding your observations and application.
  - a. How should I respond?
  - b. Specifically, what should I do? When will I do this?

## How to get the most out of these next 4 weeks:

- 1) You will never have time, you must make time.
- 2) Expect distractions.
- 3) Don't read for information, but for application.
- 4) 75% of what you will take from this study will be gotten from your personal study time.
- 5) Don't cram!!! Do it daily.
